

CHAPTER ONE: ON THE VERGE OF COLLAPSE

Anna felt sleepy; the comfortable bed was so good.

Relaxing in a soft silk gown, a cozy bedroom, within an intimate room, she was happy that all operations had been completed. She didn't need to worry about anything.

Her roommate is Kelly Carat, a cute girl who has a perfect voice that is sweet and pure.

"Oh Anna," Kelly smiled, with her perfect voice "singing" loudly. A textbook about Western literature in her hands, the third chapter about poetry slightly open. "Poetry is an art, a pleasurable feeling, enjoying the sway of art, throwing all. Forgetting all

you worry about! The beauty of poetry has no limits!"

After Kelly's little show, Anna tried to squeeze out a smile from her teeth.

"It's great, Kelly." Anna said with a most hypocritical smile on her face.

But.....

"I know, I know, I'm the best poet laureate! You don't need to remind me that I'm the best." Kelly is really proud!

Anna just smiled, which gave Kelly a wry feeling.

Deep down her was very unhappy.

"Anna, you cannot brag because you are better than others. If you have ability, you should be more humble so that others can identify with you more.

You are such a ... bad girl" Kelly was

angry now.....

“Hold your tongue, you Megalomaniac! Can't you just try to stay out of trouble? You're a fool to be deceived by yourself, I like the way you are. Please just be yourself, don't try to be special because you aren't.”

Anna screamed, and she felt the tear fall down, and her face turn red.

Kelly was surprised, she tried to say something but she couldn't. They fell in to silence.

“I think you need to keep calm, today I'll go to Amanda's bedroom, although the annoying Daisy is there, too.”

Kelly picked up her bag she already packed, put on her slippers, and ran out to complain. Daisy was better than me!

I stared at her bed.

I don't know what I can do; it's too early for sleep, and too late to call Cass.

But I don't need to wait until I felt better because Cass just sent a message to me: " Kelly said you feel depressed, So I'll come to your room. Perhaps after we chat you will feel better."

I smile, I don't think he just want to have a chat with me. The hug(or kiss 😊) will be the most important thing I want now.

CHAPTER TWO: THE LOST SENSE OF SECURITY

I almost collapse, in the crazy school,
everything try to destroying me!

Except Cass, he cares about me too
mush.

I need Lori, the girl that almost think
too much and look like a fool to me.

The true is that I really miss.

I miss her by her fool, miss her by her
talk, miss her by her nosy,
miss her by she tried to integrate our
efforts.

Compared with her, I'm just a
glamorous and enchanting,
