

## Little Coin

Hello, I'm a little coin. I'll tell you all about my life. When I came into this world I was in a company. The boss gave me to one of his staff and this started my life. He went to a breakfast shop where he dropped me on the floor and a little boy picked me up. He was very careful. He held me very carefully.

He saw a beautiful fountain and threw me into it. That was the end of my life. Every day the water pushes on my body softly. Everybody walks by and makes a wish. So I made a wish, too. I wish the day comes that somebody takes me out and starts my life again.
