

Thank you to Teacher Chris,

Teacher Chris not only helped a colleague and myself achieve our dream of studying in England by improving our English abilities, but introduced us to a culture that is very different to our own.

If it is fair to say that he is one of the people that has inspired me to become a translator.

He stepped beyond the borders of our textbooks, he taught us how to structure our impromptu speaking, advanced essay composition and assisted us with some of our grammar difficulties. This kind of personal teaching is very difficult to find in Taiwan, especially from someone who enjoys imparting information to others so much.

I have no hesitation in recommending Chris Bauman (my teacher and friend), and wish him all the best as he follows his own dreams and assists other students fulfill their potential in the classroom.

Sincerely,

Chen-Yen Wang
